Musso for County Sheriff

George Musso, Edwardsville Democrat, is the outgoing county treasurer and was sheriff from 1958 to 1962 as well as a deputy 14 years. He served well in those offices and can be an effective sheriff in 1966-70 by building on the procedural and administrative improvements initiated by outgoing Sheriff Fraundorf.

Trimpe for County School Superintendent

mpe for County School Superintendent
Wilbur Trimpe (D), an educator, 42 years, is
rated by school administrators in Madison county
as about the best county superintendent in the history of the office.

In the county superintendent in the history of the office.

In the county superintendent in the history of the office.

In the county superintendent in the history of the office.

In the history of the county superintendent with
each school system. Trimpe has helped improve
guidance services, spotlight special education
needs, establish instructional workshops, launch
psychological services and speed monetary disributions. His energy and knowledge should be
retained for a third four-year term.

County, District Races

Representing the Quad-Cities and St. Clair county in Congress for the past 22 years, Melvin Price, Democraft, has ably safeguarded the interest of this region while simultaneously attaining nation-al stature as an authority in the fields of national defense and nuclear research. His experience and leadership need to be retained Nov. 8. His young opponent, John Cuttrie, has served in business and civic posts and public offices. His Congressional candidacy is one of the most attrac-years.

Paul Simon (D) is the the obvious choice in the new Illinois senatorial district composed pri-marily of the Quad-Cities, Alton, Wood River, Edwardsville and Troy. Now 37, he already has 12 years of experience in the state legislature, in-cluding four years in the senate.

Representatives Lloyd C. Harris, Granite City, and Leland J. Kennedy, Alton, Democrats, and Ralph T. Smith, Alton Republican, are un-opposed for re-election to three Illinois House

Chivalry makes it difficult to choose between the two candidates, Miss Eulalia Hotz (D), Edwardswille, and Mrs. Vernice Wortman (R), Granite City. This is the first time in memory that two distaff candidates have been nominated for the same office in Madison county.

We have admired Mrs. Wortman's ability and her interest in government for some time and think that if she is elected the office will continue to be operated efficiently. However, on the basis of her effective record in the office during the past 24 years, we recommend that voters re-elect Miss Hotz.

aeras for County Treasurer

John Maeras (D) of Madison is our choice county treasurer. Former chief deputy probate t, he now is administrative clerk in the circuit 's office.

Pete Fuchs, Alton Republican, meets the spe-cifications that his party needs to emphasize if it is to make a resurgence in Madison county— young, capable and hard-working.

Quarter Century of Service by Southern Illinois Federation

Whern Illinois Federation

Election of Leo Schermer as president of the Southern Illinois Jewish Federation on the occasion of its 25th anniversary is an honor to him and the Quad-Cities, where the concept of joint small-community Jewish welfare financing originated. Objectives of the federation—closer cooperation among all religious and ethnic groups, family unity, care of the aged, child care and citizenship education—are in the highest tradition of America and of Judaism. The outstanding record of service in the past quarter century provides a solid foundation for even greater achievements in the coming years.
